By skiful treatment, the wound was sealed up and healed. The derangement at that time was occasioned

by fears that his family was coming to want, and his property was going to be dissipated.

This morning he says he got up about five o'clock, and was instantly seized with a perfectly uncontrollable desire to kill his wife o'clock, and was instantly seized with a perfectly uncontrollable desire to kill his wife and family. Yesterday the old troubles came upon him, and he talked again about losing his property, about his family starvious property, about his family starvious formula of the State Road leading from Millersburg to Elyria; said alteration to commence at the quarter-post on the south line of section three (3), of township seventeen (17), and range fourteen (14), and continue on the Lafayette and Londonville Road ing, &c. It was doubtless this which excited him to the commission of the horrible

deed which he attempted.

He went out of doors, secured a spade, came back and struck his wife, who was still in bed, on the head with the edge of it. He inflicted a wound about three inches long on the left temple, cutting through the skull, and penetrating the brain slight-ly. He next assaulted his boy, inflicting a severe wound on one arm and near the elbow, almost cutting off two fingers and in-flicting several slight scratches on the head. A daughter was also struck but not injured seriously .- Detroit Tribune, 17th.

This is a purely vegetable compound, prepared on
strictly scientific principles, after the manner of the celebrailed Holland Professor, Boschave, Because of its
great success in most of the European States, its introduction into the United States was inlended more especially for those of our fatherland scattered here and there
over the face of this mighty country. Meeting with great
success among them, I now offer it to the Americon public, knowing that its truly wonderful medicinal virtues
must be acknowledged.

It is particularly recommonded to those persons whose
constitutions may have been impaired by the continuous
use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to
the seat of life, thrilling and quickening overy nerve, mising up the drooping spirit, and, in fact, infusing new
